

# MV88+ STEREO USB MICROPHONE

#### **Overview**

Record any instrument or vocals with ease using the MV88+ Stereo USB Microphone and configure the microphone to suit any recording situation. Connect to your Mac or Windows computer and download the free ShurePlus MOTIV™ Desktop App to configure the microphone to suit any given recording situation; adjust microphone settings such as EQ, Monitor Mix, Limiter, Compression, pick-up pattern (Mono, Stereo, Bi-Directional and Raw Mid-Side) or pick from 5x DSP preset modes to get started instantly. Monitor your recording using the built-in headphone output to ensure your sound is perfect at all times. Embrace the power of one microphone.

### **Features**
